ASP.NET Developer | Software Developer

A passionate Full Stack developer with a growing expertise in **C# and ASP.NET**, I enjoy building **efficient, scalable, and interactive web applications**. I thrive in collaborative environments, learn quickly, and am eager to contribute my skills to **real-world projects** while continuously enhancing my technical abilities.

EDUCATION

Bangladesh University of Business & Technology
B.Sc. in Computer Science and Engineering; **CGPA: 3.38/4.00**

December 2021 - December 2025
Mirpur,Dhaka

Dr. Sekander Ali College
Higher Secondary Certificate (HSC); GPA: 4.17/5.00

February 2018 - December 2020
Sherpur

Nabinagor Adarsha Bidyapith
Secondary School Certificate (SSC); GPA: 4.22/5.00

January 2016 – January 2018
Sherpur

SKILLS

- **Frontend Technologies:** HTML5, CSS3
- **Backend Technologies:** ASP.NET
- **Database:** MySQL,SQL Server
- **Version Control:** Git, GitHub
- **Programming Languages:** C, C++ , C#, JavaScript
- **Tools & Others:** Visual Studio,VS Code, Postman, CodeBlocks
- **Soft Skills:** Communication, Team Collaboration, Eagerness to Learn

PROJECTS

Learnvaluate- Educational web platform

- Learnvaluate provides Comprehensive course management with multimedia content delivery
- Video streaming platform for educational content
- Certificate generation system upon course completion
- Responsive dashboard for students and instructors
- Admin panel for content and user management
- Project Details on Github : visit [shifathasannahid/Learnvaluate](https://github.com/shifathasannahid/Learnvaluate)

Technology Used: C#, .NET 9, ASP.NET Core MVC, Entity Framework Core, MySQL (Pomelo),Razor (.cshtml), HTML5, CSS3, JavaScript (ES6)

Student-Grade-Management

- Developed a C# console-based system for managing students, classes, teachers, and grades.
- Implemented role-based login for Admin and Teacher users.
- Used Entity Framework Core with SQL Server (Code-First) for database management.
- Built features for class, subject, student, and grade management with proper relationships.
- Project Details on Github : visit [shifathasannahid/Student-Grade-Management](https://github.com/shifathasannahid/Student-Grade-Management)

Technology Used: C#, .NET, Entity Framework Core (Code-First), SQL Server, LINQ, Console Application Architecture

Daily product price list -

Essential product update price list

- Add new products with details (name, quantity, price)
- Update existing product information
- Tracks previous prices when updating products
- Project Details on Github : visit [shifathasannahid/Daily-product-price-list](https://github.com/shifathasannahid/Daily-product-price-list)

Problem Solving and ACHIEVEMENTS

- [Codeforces](#) Shifathasannahid(Max rating: 840) (Total Solve : 161)
- [Beecrowd](#) shifathasannahid(Total Solve : 40)
- 18th | BUBT Inter University Programming Contest(May 2024)

Honourable mention

- Participate **3 times** in the ICPC Asia Dhaka Preliminary Contest
- Participated **4 times** in the BUBT Intra University Programming Contest Onsite
- **Competitive Programming** - Brainstorming 2024, at Bangladesh University of Business & Technology,Dhaka
- **Competitive Programming** - BUBT INTRA UNIVERSITY PROGRAMMING CONTEST 2022 at Bangladesh University of Business & Technology,Dhaka
